- Founded in 2005, Monomoy Capital Partners is a private investment firm with over \$5.3 billion in assets under management across a family of investment funds
- We have successfully executed more than 65 middle-market transactions since inception and have an established track record of working with management teams across industrial and consumer sectors to achieve sustainable success
- We believe that management teams are crucial to the success of our businesses and strive to empower our partners with the resources they need to be successful
- We create value by focusing on cash flow, operational improvement and strategic growth
- Our specialty lies in acquiring businesses at an inflection point
- Monomoy has one of the largest operating teams in the middle market and, along with the investment team, has functional expertise in:
